

## Otterbourne Play Park Visit

Dear Parents,

The children are very excited as we plan to walk them to Otterbourne Play Park for our Geography Field Trip on Tuesday 17<sup>th</sup> October 2023.

As part of our visit, we will be completing some field work as well as giving the children the chance to play in the park. There will be many rules in place to keep them safe and the rules may be different to the rules you have at home for visiting the park. All of this will be explained to them before the trip takes place.

There will be no charge for the trip and it will be weather dependent, so we are crossing our fingers for a sunny day.

In order for the children to be suitably dressed for the day, we would like them to wear:

- Otterbourne School sweatshirts
- Long grey/black trousers/leggings/jogging bottoms
- TRAINERS (Velcro if possible)
- A waterproof coat (with a hood)

The children can bring a named snack if they would like to for half way through the morning. If your son/daughter requires medication, e.g. inhalers, please ensure they are clearly marked or in a named bag. Please alert us to any allergies that your child may have, including to foods, plasters, hand gel and anti-bacterial wipes.

Yours sincerely,

The Year 2 Team
