Dear parents/carers,

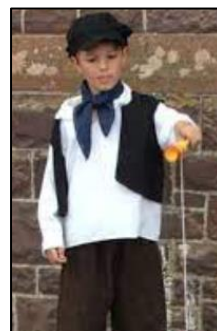

This half term, we're continuing with our study on the local area of Otterbourne. The focus last half term was geography which involved the super trip to the play park to conduct some fieldwork.

This half term, we're looking more at history and how Otterbourne, particularly our school, has changed over time. Therefore, we have hired a time machine and are planning on sending the children back to Victorian era Otterbourne! A Victorian teacher will be attending school on Wednesday 6<sup>th</sup> December and leading the Year 2s in a Victorian experience to give the children a taste of how different times were.

We would like to invite the children to dress up should they wish. **Please** don't feel pressure to buy outfits for this. Some home-made ideas might include:

## Girls:

- A long dress
- A little apron (a white pillow case?!)
- A shawl/scarf around the shoulders
- A floppy hat or ribbon in the hair

## Boys:

- Shorts
- Long socks
- Baggy shirt
- Handkerchief around the neck
- Flat cap
- A smart side parting

We will raid our drama cupboard to find any bits and bobs we can to help with dressing up.

Please could we ask for a voluntary contribution of £3 to cover the cost of this lovely workshop. This can be paid via ScoPay. Thank you for your support.

We know the children will love this and of course, it will really bring their learning to life.

Many thanks,

The Year 2 team
