

Computing:

Year 5 - Looking at conditional selection and conditional selection within a loop.
Year 6 - Looking at variables and procedures, making geometric patterns and maths problems.

R.E.:

Creation and Fall
Creation and Science: Conflicting or Complementary - Christianity Focus

P.S.H.E.:

Aiming high - this unit focusses on setting targets and discussing our aspirations for the future.

Science:

Variation and inheritance - this unit will include a trip to Lyme Regis (more info to follow).

Art:

Texture and tone - using the work of Charlie Mackesy, we will create our own pieces of art based on our school values.

Geography: Is the River Itchen unique? We will be focusing on the physical processes of developing rivers. Our fieldwork study will be focusing on the characteristics of a chalk stream.

Year 5/6

Autumn Term 1 2023

Rolling Rivers

**Music:**

Looping and remixing using body percussion and the song 'Somewhere over the Rainbow'.

Guided Reading:

I Talk Like a River - a focus on vocabulary and explanation.

Floodland - our English text will form the basis of the rest of our Guided Reading for Autumn 1.

Maths:

We will be moving to the Hampshire model which uses a cyclical approach to teaching mathematics. More information will be provided for each year group about the end of year objectives and expectations.

Spelling:

This year, we will be focusing on the Year 5/6 spelling words through a phoneme-centred approach. Spelling words will be set weekly.

English:

We will be focusing on the book Flood. We will be learning about writing from different perspectives and using descriptive and figurative language.

Following on from Fairthorne Manor, we will be focusing on discussion writing, thinking about the question, "Should residential be allowed?"
