

Year 3/4 Autumn 2025 Newsletter

Welcome to Year 3/4! The children are settling well in to their new routines and classrooms. As the term gets underway, you'll notice your children becoming more familiar with the expectations of Key Stage 2 and the Pillars of our Curriculum which underpin all our learning. Our School Values—Trust, Respect and Determination—remain at the heart of everything we do. These values are closely linked to our school rules and play an important role in preparing your children for the ever-changing world ahead. We are looking forward to the year ahead.
